Andrew: yo yo yo
me: yo
Andrew: i ran into anna last week
Andrew: she asked about you
Andrew: actually, she just ranted about you for like 15 minutes
me: I can imagine
me: she thinks I was secretly married
me: and she got a story written about Straub mixed up with a story about me
Andrew: which one?
Andrew: she didnt mention anything bout your marriage
Andrew: she did mention being crazy
me: what'd she say?
Andrew: or maybe i just assumed
Andrew: she said hi
Andrew: then went on a long rant about whether or not she should be worried about STDs, even though she said she got herself tested twice
me: yeah, that sounds like her
Andrew: she was also sure to mention that she has a boyfriend about 40 times
Andrew: even though I didnt even pretend to ask
me: lol
me: so, this computer you picked out
me: fucking solid
Andrew: you got it?
Andrew: the dell?
Andrew: or the other
me: Toshiba
Andrew: ah
Andrew: yeah, thats a nice box
Andrew: it plays everything? not too big?
me: was playing new Fallout last night
me: I forgot what gaming could be
Andrew: nice
Andrew: i have a mac so i cant play bf2 or new vegas
me: you really did me good on this one
me: well
me: I'm gonna be playing some tf2
Andrew: cool, let me know when you do

me: also
me: got my first column appearing in The Guardian tomorrow
Andrew: you have a column in the guardian?
me: not a regular column
me: but they really liked my first one and want me to send more
Andrew: cool
Andrew: send me a link when it goes up if you remember
me: will do
me: OR YOU CAN FOLLOW ME ON TWITTER!11!111
Andrew: OR NOT
